

P.R.O. Box 4

For the Service Professional

The P.R.O. Box 4 contains all of the Gaskets and O-Rings needed to repair most pool and spa pumps. Our Standard box contains an assortment of kits for American, Hayward®, Jacuzzi®, Pac-Fab, Purex, and Sta-Rite® pumps; or we can make a custom P.R.O. Box just for you.

Gaskets and O-Rings are packaged in a zip-lock bag showing part numbers and description. P.R.O. Box 4 also contains packets of Magic Lube® and a re-order form.

When used with the P.R.O. Box 3, making pump repairs is easy, with everything you need in two self-contained carrying cases.
