

# Special Order Baskets

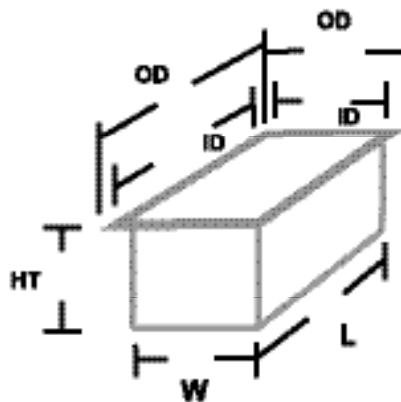

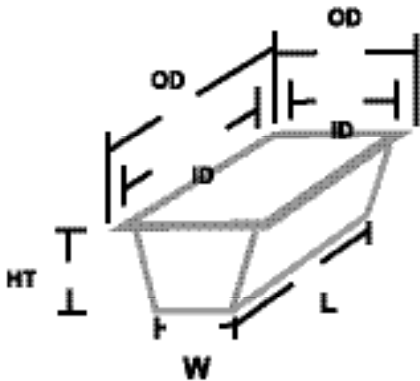

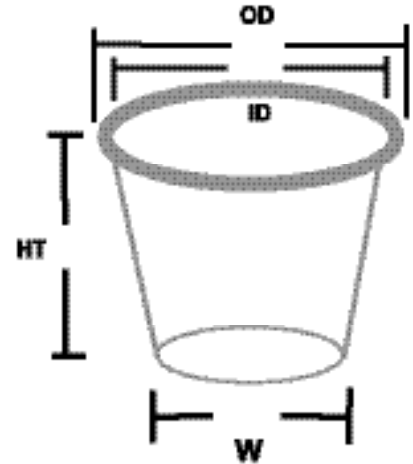

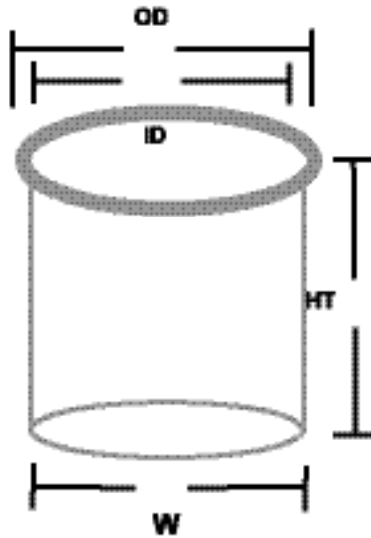

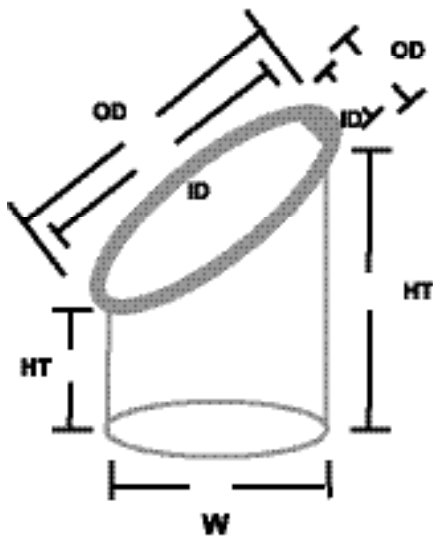

## Powder Coated Metal Mesh Baskets

Our facilities and equipment are geared to produce professional quality baskets. If you have a basket need, and the item you need is not listed as a standard item, send us the specifications and we will manufacture a basket to fit your need. If you send an actual sample of the basket you need, you can save time and money. Please allow 4-6 weeks for delivery. Hole size: 1/4" square opening.

## Stainless Steel Baskets

With our unique manufacturing capabilities, we can construct baskets in stainless steel also. Please allow 1-2 weeks for delivery. Hole size: 3/16" round opening.
